SUBJECT: **Bill 8 and Bill 9, OPPOSE**

Honorable City Council Chair and Members,

My name is Gayle Rubino, I am a voter living in Kailua, Oahu. I am writing to show my **OPPOSITION of Bills 8 and 9** because I think that showing the address of a rental unit opens up an entire new market to vandals, thieves, and other criminals. Criminals are not dumb, they know these homes are occupied only part time, and it is easy for them to drive by, see that nobody is there, and burglarize or vandalize the property.

I think that having a permit number listed on advertising would be ok or even a mailing address such as a P.O. Box, IF there are also reasonable regulations and a process for people to GET a permit to operate in the first place.

Honorable City Council Chair and Members,

My name is Giacinto "Jay" Rubino, I live in Kailua and I am writing because I **OPPOSE Bills 8 and 9** because I think that showing the address of a rental unit raises very serious security issues. It makes it very easy for thieves to pick "prime" targets.

I think that having a permit number listed on advertising is fine; even an address such as a P.O. Box would be ok, but in addition to enforcement measures, we need to also have reasonable regulations and a permitting process for people to have these types of neighborhood-friendly businesses.
